## History

ePATHUSA, Inc., established in 2005, we have continuously provided strategic consulting and services to the Commercial, not-for-profit, Federal, State and Local clients. We mobilize the right people with the right skills and technologies through consulting services for an organization's specific needs, in order to help improve their efficiency while reducing the overall costs.

We are a minority, woman-owned small business. In addition to our SBA & MWBE certifications, we hold a GSA Schedule 70 contract, certifications in ISO 9001:2015, ISO 27001:2013 and ISO 20000-1:2011, and we are appraised at CMMI Level 3 for Development. We are proudly committed to providing excellent and flexible solutions to Local, State and Federal government agencies, maintaining our standard of excellence with all of our clients.
